Sting, Need Your Love So Bad

There's a saying old says that love is blind

Still were often told "seek and you shall find"

So I'm going to seek a certain girl I've had in mind

Looking everywhere haven't found her yet

She's the big affair I cannot forget

Only girl I ever think of with regret

I'd like to add her initial to my monogram

Tell me where is the shepherdess for this lost lamb?

There's a somebody I'm longing to see

I hope that she turns out to be

Someone who'll watch over me

I'm a little lamb who's lost in the wood

I know I could always be good

To one who'll watch over me

Although I may not be the man some girls think of as handsome

To her heart I carry the key

Won't you tell her please to put on some speed, follow my lead

Oh, how I need someone who'll watch over me

There's a somebody I'm longing to see

I hope that she turns out to be

Someone to watch over me

I'm a little lamb who's lost in the wood

I know I could always be good

To one who'll watch over me

Although I may not be the man some girls think of as handsome

To her heart I carry the key

Won't you tell her please to put on some speed, follow my lead

Oh, how I need someone to watch over me
