No time for complexities [the niceties] of conversation No time for smiles, no time for knowing No [less] time for intricacies of explanation No [less] time for sharing [caring] even less for showing

If I could, I'd slow the whole world down I'd bring it to it's knees I'd stop it spinning round But as it is, I'm climbing up an endless wall

No time at all No time this time No time at all No time this time

No time for a quick kiss [cigarette] at the railway station No time for a suitcase, sandwich and a morning paper Only time for time table calls and transportation No time to think no time to dare

If I could, I'd slow the whole world down I'd bring it to it's knees

I'd stop it spinning round But as it is, I'm climbing up an endless wall

No time at all No time this time No time at all No time this time

If I could, I'd slow the whole world down I'd bring it to it's knees I'd stop it spinning round But as it is, I'm climbing up an endless wall

No time at all No time this time No time at all No time at all No time this time No time at all No time this time No time at all No time at all
