

# Sting, Perfect Love...Gone Wrong

I've had a question that's been preying on my mind for some time  
I won't be wagging my tail for one good reason  
It has to be a crime

This dog house never was the place for me  
Runner up and second best just ain't my pedigree  
I was so happy, just the two of us  
Until this alpha male  
Turned up in the January sale

He won't love you  
Like I love you  
It won't be long now before that puppy goes astray  
And what I like about this guy the most  
He'd be my favourite lamp post  
Devil take the hindmost

Je sais que c'est dur, mais il faut se faire au changement, tu vois  
J'ai negligé le primordial pendant trop longtemps crois moi  
Je suis consciente, je vois bien que tu souffres, mais? a s'attenuera  
Car c'est d'un homme plus d'un chien don't j'ai besoin pres de moi  
Cesse donc de grogner, mon choix est fait c'est comme? a  
N'en fait pas trop, ton attitude risque de t'eloigner de moi  
Faut que tu comprennes, puisque tu dis m'aimer tant que? a  
Desormais nous sommes trois, lui toi et moi

It's a shaggy kind of story  
Would I tell you if I thought it was a lie?  
But when the cat's away the mouse will play  
I wouldn't dish around here  
There's something fishy 'round here

I howl all night and I sleep all day  
It takes more than biscuit, baby, to chase these blues away  
I've got a long enough leash  
I could almost hang myself  
It's a dogs life loving you baby  
But you love someone else  
Now he's moved by basket  
I'd like to put him in a casket  
I'll wear my best collar to his funeral

Ta mauvaise foi, j'aimerais bien que? a s'arrete  
Me separer de toi, aujourd'hui? a trotte dans ma tete  
Moi non, j'en peux plus, tu n'est q'un chien, c'est trop bete  
La situation m'avait pourtant l'air d'etre des plus nettes  
C'est clair, que je l'aime c'est un fait, ton ego? sme m'inquiete  
Apres toutes ces soirees passees seules en tete a tete  
Chaque chose a une fin, et c'est la fin de la fete  
Pour toi, car bien? t il n'y aura plus que lui et moi, lui et moi

To have found this perfect life  
And a perfect love so strong  
Well there can't be nothing worse  
Than a perfect love gone wrong

You said I wasn't just your Christmas toy  
I'd always be your boy  
I'd be your faithful companion  
And I would follow you through every thick and thin  
Don't need nobody else  
And we don't need him
