

# Sting, Russians

In Europe and America, there's a growing feeling of hysteria  
Conditioned to respond to all the threats  
In the rhetorical speeches of the Soviets  
Mr. Krushchev said we will bury you  
I don't subscribe to this point of view  
It would be such an ignorant thing to do  
If the Russians love their children too

How can I save my little boy from Oppenheimer's deadly toy  
There is no monopoly in common sense  
On either side of the political fence  
We share the same biology  
Regardless of ideology  
Believe me when I say to you  
I hope the Russians love their children too

There is no historical precedent  
To put the words in the mouth of the President  
There's no such thing as a winnable war  
It's a lie that we don't believe anymore  
Mr. Reagan says we will protect you  
I don't subscribe to this point of view  
Believe me when I say to you  
I hope the Russians love their children too

We share the same biology  
Regardless of ideology  
What might save us, me, and you  
Is that the Russians love their children too
