

# Sting, Shadows In The Rain

I woke up in my clothes again this morning  
I don't know exactly where I am  
And I should heed my doctor's warning  
He does the best with me he can

He says I suffer from delusion  
But I'm so confident I'm sane  
It can't be no optical illusion  
How can you explain  
Shadows in the rain

And if you see us on the corner  
We're just dancing in the rain  
I tell my friends there when I see them  
Outside my windowpane  
Shadows in the rain
