

STING & SHAGGY, Don't Make Me Wait

Don't make me wait

Don't make me wait in vein
Can't wait to give you my last name
Don't make me wait

Don't make me wait
Don't make me wait to love, love
To love you

Don't make me wait
Don't make me wait to love, love
To love you

It didn't take me long to fall in love with your mind
And I won't even mention the way your body perfectly designed, so fine
and judging from your outlook on life
I knowe this would be more than just one night
but now I'm ready for th next level
Are you telling me you need more time?
no crime!

nothing wrong with waiting a little bit
you know this is more to me than just hitting it
but you only get a love like this once in a lifetime
and if this is out chance
I am missing it
my whole life I ain't felt like this
just I want to run with you
I don't want to fight this
I ain';t rushing you to make up your mind
just wanna to put some more quality, we time
come on girl

Don't make me wait

Don't make me wait in vein
Can't wait to give you my last name
Don't make me wait

Don't make me wait
Don't make me wait to love, love
To love you

Don't make me wait
Don't make me wait to love, love
To love you

I don't want you think I'm rushing you
I know you like to take your time
I'm already sold on the idea of you and I
just tell me where I need to sign

Coz I've been searching for a while girl
and I know what works for me
All I need to know if this is what you want, girl
Coz I'm already where I need to be
So don't make me wait

Don't make me wait to love, lo love
to love you

I can't wait too long, girl

Don't make me wait
Don't make me wait to love, love
To love you
