

# Sting, She Walks This Earth

She's a soulful  
flower in the garden  
She's bobbing in the sunlight  
and flirting with her eyes  
The way she walks by,  
I see a wave of color  
moving like an angel  
trailing butterflies

Give me water  
give me inspiration  
I want to speak now  
but I can't find a word  
So unforgiving is my infatuation  
Now that I know  
she walks upon the earth  
she walks this earth

I am restless burning with desire  
And every other heartbeat  
I beat just for her  
I see her smiling  
full as my emotion  
This is no illusion  
but how can I be heard?

Give me water,  
give me inspiration  
I want to speak now,  
but I can't find a word  
So unforgiving is this infatuation  
now that I know  
she walks upon this earth  
she walks this earth

She walks this earth

Give me water,  
give me inspiration  
I need to hold her  
like no one else before  
So unforgiving is my infatuation  
now that I know,  
she walks upon the earth  
she walks this earth

She walks this earth

She walks this earth
