

# Sting, Spirits In The Material World

There is no political solution  
To our troubled evolution  
Have no faith in constitution  
There is no bloody revolution

We are spirits in the material world  
Are spirits in the material world  
Are spirits in the material world  
Are spirits in the material world

Our so-called leaders speak  
With words they try to jail you  
The subjugate the meek  
But it's the rhetoric of failure

We are spirits in the material world  
Are spirits in the material world  
Are spirits in the material world  
Are spirits in the material world

Where does the answer lie?  
Living from day to day  
If it's something we can't buy  
There must be another way

We are spirits in the material world  
Are spirits in the material world  
Are spirits in the material world  
Are spirits in the material world
