Sting, Spirits In The Material World

There is no political solution To our troubled evolution Have no faith in constitution There is no bloody revolution

We are spirits in the material world Are spirits in the material world Are spirits in the material world Are spirits in the material world

Our so-called leaders speak With words they try to jail you The subjugate the meek But it's the rhetoric of failure

We are spirits in the material world Are spirits in the material world Are spirits in the material world Are spirits in the material world

Where does the answer lie? Living from day to day If it's something we can't buy There must be another way

We are spirits in the material world Are spirits in the material world Are spirits in the material world Are spirits in the material world
