

# Sting, Walking In Your Footsteps

Fifty million years ago  
You walked upon the planet so  
Lord of all that you could see  
Just a little bit like me

Walking in your footsteps  
Walking in your footsteps  
Walking in your footsteps  
Walking in your footsteps

Hey mr. dinosaur  
You really couldn't ask for more  
You were god's favourite creature  
But you didn't have a future

Walking in your footsteps  
Walking in your footsteps  
Walking in your footsteps  
Walking in your footsteps

Hey mighty brontosaurus  
Don't you have a message for us  
You thought your rule would always last

There were no lessons in your past  
You were built three storeys high  
They say you would not hurt a fly  
If we explode the atom bomb  
Would they say that we were dumb?

Walking in your footsteps  
Walking in your footsteps  
Walking in your footsteps  
Walking in your footsteps

Fifty million years ago  
They walked upon the planet so  
They live in a museum  
It's the only place you'll see 'em

Walking in your footsteps  
Walking in your footsteps

They say the meek shall inherit the earth  
They say the meek shall inherit the earth  
Walking in your footsteps
