Sting, Walking In Your Footsteps

Fifty million years ago You walked upon the planet so Lord of all that you could see Just a little bit like me

Walking in your footsteps Walking in your footsteps Walking in your footsteps Walking in your footsteps

Hey mr. dinosaur You really couldn't ask for more You were god's favourite creature But you didn't have a future

Walking in your footsteps Walking in your footsteps Walking in your footsteps Walking in your footsteps

Hey mighty brontosaurus Don't you have a message for us You thought your rule would always last

There were no lessons in your past You were built three storeys high They say you would not hurt a fly If we explode the atom bomb Would they say that we were dumb?

Walking in your footsteps Walking in your footsteps Walking in your footsteps Walking in your footsteps

Fifty million years ago They walked upon the planet so They live in a museum It's the only place you'll see 'em

Walking in your footsteps Walking in your footsteps

They say the meek shall inherit the earth They say the meek shall inherit the earth Walking in your footsteps
