

Sting, We're Sending Our Love Down The Well

There's a hole in my heart,

As deep as a well,

For that poor little boy,

Who's stuck halfway to hell,

Though we can't get him out,

We'll do the next best thing,

We go on TV,

And sing, sing, sing.

And we're sending our love down the well,

All the way down.

We're sending our love down the well,

Down that well
