Stone Sour, Through Glass

I'm looking at you through the glass Don't know how much time has passed Oh, God, it feels like forever But no one ever tells you that Forever feels like home Sitting all alone inside your head

""How do you feel?"" That is the question But I forget you don't expect an easy answer When something like a soul Becomes initialized and folded up Like paper dolls and little notes You can't expect a bit of hope

So while you're outside looking in Describing what you see Remember what you're staring at is me

'Cause I'm looking at you through the glass Don't know how much time has passed All I know is that it feels like forever But no one ever tells you that Forever feels like home Sitting all alone inside your head

How much is real? So much to question An epidemic of the mannequins Contaminating everything We thought came from the heart But never did right from the start Just listen to the noises "(Null and void instead of voices)"

Before you tell yourself It's just a different scene Remember it's just different from what you've seen

I'm looking at you through the glass Don't know how much time has passed And all I know is that it feels like forever But no one ever tells you that Forever feels like home Sitting all alone inside your head

'Cause I'm looking at you through the glass Don't know how much time has passed And all I know is that it feels like forever But no one ever tells you that Forever feels like home Sitting all alone inside your head

And it's the stars, the stars that shine for you And it's the stars, the stars that lie to you, yeah

I'm looking at you through the glass Don't know how much time has passed Oh, God, it feels like forever But no one ever tells you that Forever feels like home Sitting all alone inside your head

'Cause I'm looking at you through the glass Don't know how much time has passed All I know is that it feels like forever But no one ever tells you that Forever feels like home Sitting all alone inside your head

And it's the stars, the stars that shine for you And it's the stars, the stars that lie to you, yeah And it's the stars, the stars that shine for you, yeah And it's the stars, the stars that lie to you, yeah Oh, and the stars, oh, and the stars, they lie
