

Stonewall Jackson, Think I'll Go Somewhere And

Think I'll go somewhere and cry myself to sleep
I just kissed the one I love for the last time
And never have her soft lips then so sweet
She's gone away and won't be back forever
Think I'll go somewhere and cry myself to sleep
I'll go somewhere and cry myself to sleep
Not just because I'm sad but cause I'm weak
I can't stand the thought of life alone without her
Think I'll go somewhere and cry myself to sleep
[guitar]
Just before she said goodbye she called me darling
And slowly ran her fingers down my cheek
I thought I'd die when she said she still love me
Think I'll go somewhere and cry myself to sleep
I'll go somewhere and cry...
