

# STORMZY, OWN IT (feat. ED SHEERAN & BURNA BOY)

own it  
girl you just own it  
cause your body's on fire  
show me how to control it  
and go hit your spliff  
and het higher  
girl, I love how you roll it  
I put my hand there  
hold it  
imam be right by ya  
imam be right by ya  
imam be right by ya

[Stormzy:]  
lighters up /2x  
one time lighters up  
pulled up in the party when you saw me I was lightening up my, my  
so go ahead and brighten up my day  
lighters in the air when you're lighting up the rave  
and it's feeling like I met you before  
gal, I felt your presence when they let you through the door  
never had a brudda give you everything and more  
so I take a little piece and then the rest of it is yours mi amore

[Burna Boy:]  
you don't care when I don they tell you  
but can you take say na play  
I know /2x  
wetin you theydo me  
but just they scatter my brain

[Stormzy:]  
thug loving whne I put you in your place  
I can tell you love it just by looking in your face  
it's the way that you wine up  
you're waist I am so in awe  
girl, you never have to worry  
about nuttin you now it's yours

own it  
girl you just own it  
cause your body's on fire  
show me how to control it  
and go hit your spliff  
and het higher  
girl, I love how you roll it  
I put my hand there  
hold it  
imam be right by ya  
imam be right by ya  
imam be right by ya

[Ed Sheeran:]  
lights down for the one I love  
right now, you've never looked better  
forget our friends girl  
I love it when we chill together  
she wanna kiss  
I want another one  
you got a sick vibe  
I wand it one on one  
up till now nobody knew where  
I was coming from  
but we got the same mind

so I don't wanna waste time  
bring it to me  
mama that's what I need  
that's right, kiss on your cheek  
one time..  
I used t love being alone  
but now I can't stand it  
reaching out my palm for you to put your hand in  
girl you are the one  
and I don't understand it  
how you lighting up the room whit your glow  
cause girl you just

own it  
girl you just own it  
cause your body's on fire  
show me how to control it  
and go hit your spliff  
and het higher  
girl, I love how you roll it  
I put my hand there  
hold it  
imam be right by ya  
imam be right by ya  
imam be right by ya
