

Stratovarius, Phoenix

I am facing the truth
I got to change the way I live
Cant go on this way
The price is too high to pay
After the rain I feel the sun
See how I run to my destiny
Life is a game
I got to learn how to play
I make my own rules
cause now I am free to choose
Courage and faith will show me the way
See how I run to my destiny

Like the Phoenix I rise
From the ashes of life
I dont need fortune or fame
Just some peace of mind
Like the Phoenix I fly
leaving the lies behind
Futures golden for me
There is no one who can stop me now

Im noble and strong
Im walking down the road that I choose
Each day is a gift
And I know that I can't lose
Glorious future is waiting for me
See how I run to my destiny

Like the Phoenix...
