

# Stratovarius, Phoenix

I am facing the truth  
I got to change the way I live  
Cant go on this way  
The price is too high to pay  
After the rain I feel the sun  
See how I run to my destiny  
Life is a game  
I got to learn how to play  
I make my own rules  
cause now I am free to choose  
Courage and faith will show me the way  
See how I run to my destiny

Like the Phoenix I rise  
From the ashes of life  
I dont need fortune or fame  
Just some peace of mind  
Like the Phoenix I fly  
leaving the lies behind  
Futures golden for me  
There is no one who can stop me now

Im noble and strong  
Im walking down the road that I choose  
Each day is a gift  
And I know that I can't lose  
Glorious future is waiting for me  
See how I run to my destiny

Like the Phoenix...
