

# Stray Kids, Back Door

Hay, you wanna come in

Move over  
And here i come  
Last time was a just warm-up umm  
This time it's for real party  
Stay out of this  
Is you can't handle it

Gosh, you must feel tight  
Let it all go  
And enjoy yourslef to the full  
Everyone  
Turn off the light  
And light up your eyes all night  
Stop hifding your excitement and let it all out
