

# Stray Kids, DOMINO

Ey domino  
With a tap everything comes falling apart  
Yeah kaboom!  
A single breathe makes everything crumble apart  
Blach blach

Ok, row until the nd  
My nickname's bulldozer  
Even when everyone falls  
Follow me in crawl position follow

My punchline makes everyone  
Laugh their heads off  
Director that enjoys dad jokes can stay out  
The child who taugh one  
Knew it all!
