

Stream of Passion, I'll Keep On Dreaming

I have waited long,
I'm waiting still.
Why did I ever think
you'd come back to me?
I guess I'll keep on dreaming.
Life, the finest thread,
wears easily.
Why did I ever think
you'd come back to me?
I guess I'll keep on dreaming.
Years are passing by
so slowly...
Why did I ever think
you'd come back to me?
I guess I'll keep on dreaming.
Life, the finest thread,
wears easily.
Why did I ever think
you'd never leave me?
I'll keep on dreaming.
