## Stream of Passion, I'll Keep On Dreaming

I have waited long, I'm waiting still. Why did I ever think you'd come back to me? Í guess I'll keep on dreaming. Life, the finest thread, wears easily. Why did I ever think you'd come back to me? I guess I'll keep on dreaming. Years are passing by so slowly... Why did I ever think you'd come back to me? Í guess I'll keep on dreaming. Life, the finest thread, wears easily. Why did I ever think you'd never leave me? I'll keep on dreaming.
