

# Stryper, All over Again

I've seen it good, I've seen the bad, that's just the way it goes  
Misunderstood, happy or sad, I'm sure what I feel shows

But here I am gratefully  
Alive and well thankfully, baby

If I had the chance to do it all again  
No I wouldn't change a thing (I wouldn't change a thing)  
I've lived the life of a thousand men  
With the honor of a king and I'd do it all over again

I've made choices, I'll take the blame for everything I do  
My heart rejoices, 'cause there ain't no shame when you let love through

No matter how high or low  
I've gotta let you know, baby

If I had the chance to do it all again  
No I wouldn't change a thing (I wouldn't change a thing)  
I've lived the life of a thousand men  
With the honor of a king and I'd do it all over again

If I had the chance to do it all again  
I wouldn't change a thing  
I've lived the life of a thousand men  
And I feel just like a king and I'd do it all over again

If I had the chance to do it all again  
No I wouldn't change a thing (I wouldn't change a thing)  
I've lived the life of a thousand men  
With the honor of a king and I'd do it all over again  
With the honor of a king and I'd do it all again with you
