

# Styx, 22 Years

(John Curulewski)

I've got a crazy little mama  
Lord, she's my heart and soul  
I don't even have to tell ya  
she knows how to rock and roll

well this crazy lovin' mama  
makin' everything all right  
I don't even have to tell ya  
she makes things seem outta sight  
all right

whenever I'm down  
and nothings going right at all  
I just think about my baby  
and all I've got to do is call

when the evening's looking pretty  
and the day's hanging out too long  
I know my baby cares about me  
right or wrong

it took a long time to find her  
it took a lot of laughs and tears  
it took a long time to find her  
it took me 22 years

I've got a crazy little mama  
said, Lord, she's my heart and soul  
yeah yeah yeah yeah yeah  
I don't even have to tell ya  
she know's how to rock and roll

well this crazy lovin' mama  
makin' everything all right  
yeah  
I don't even have to tell ya  
she makes things seem outta sight  
all right

it took a long time to find her  
it took a lot of laughs and tears  
it took a long time to find her  
it took me 22 years  
oh my

22 years
