

# Sublime, One Cup Of Coffee

You gotta be genuine, thats the name of this game  
If you're real, you got nothin to worry about  
But if you're synthetic the more your balls come off

I got the money like the lawyer said to do  
But it can't replace the heart ache i cost you  
Oh tomorrow I'll be leaving, i know  
'cause one cup of coffee and then i'll go

I got the money like the lawyer said to do  
But it can't replace the heart ache i cost you  
Oh tomorrow I'll be leaving, i know  
But one cup of coffee and then i'll go

One cup, before you fool yourself  
Judge not, or you're not ready for judgement

Oh the road to life is rocky  
And you may stumble too  
So as you point your finger  
Someone else is judging you

Judge not, before you judge yourself  
Judge not, or you're not ready for judgement

Oh the road to life is rocky  
And you may stumble too  
So while you're laughin at me  
Someone else is judging you
