

# Sufjan Stevens, Only At Christmas Time

Only to bring you peace,  
Only at Christmas time,  
Only the King of Kings,  
Only what once was mine,  
It takes the end of time,  
It takes a long, long time,  
Only one thought of mine,  
Only at Christmas time.  
He brings us peace,  
He brings us joy,  
He brings all thoughts to destroy,  
Only at Christmas time,  
To bring us peace,  
To bring us joy,  
To bring all thoughts to destroy,  
Only at Christmas time.  
Only at Christmas time,  
Only a dream to cry,  
Only at Christmas time,  
If you can read the sign,  
Only at Christmas time,  
Everything lost will be found,  
Only at Christmas time,  
Only at Christmas time
