

Sugababes, 2 Hearts

It never seems enough baby
When your head is full of stuff
Then again you didnt go
And thank god you didnt though
Whats it gonna take baby
For two of us to make it
Through this one
Can we make it through this song?

Everything between us makes me glow
But how could you know?
Simple things bring simple pleasures
That we know
Or maybe they didnt show

2 used 2 means 2 hearts 2 please
2 you 2 me 2 make totally
2 mouths 2 closed 2 make all of those
2 hearts 2 believe 2 love openly

Do you really wanna wait another day?
Coz everybody needs a little time to pay
And after when the time is up
Everybody doesnt always get their say
Feels like a little price to pay
Then after we laugh it up

Everything about us makes me grow
But how would you know?
Simple things bring simple pleasures
That we know
Baby its time to show

2 used 2 means 2 hearts 2 please
2 you's 2 me's 2 make totally
2 mouths 2 closed 2 make all of those
2 hearts 2 believe 2 love openly

Your the must have
Your the part im in your palm
Love freely so really
Theres a call
Where's it from?

Ooh ooh ooh
Ooh ooh ooh

2 used 2 means 2 hearts 2 please
2 you's 2 me's 2 make totally
2 mouths 2 closed 2 make all of those
2 hearts 2 believe 2 love openly [x2]
