Sugababes, 2 Hearts

It never seems enough baby
When your head is full of stuff
Then again you didnt go
And thank god you didnt though
Whats it gonna take baby
For two of us to make it
Through this one
Can we make it through this song?

Everything between us makes me glow But how could you know? Simple things bring simple pleasures That we know Or maybe they didnt show

2 used 2 means 2 hearts 2 please 2 you 2 me 2 make totally 2 mouths 2 closed 2 make all of those 2 hearts 2 believe 2 love openly

Do you really wanna wait another day? Coz everybody needs a little time to pay And after when the time is up Everybody doesnt always get their say Feels like a little price to pay Then after we laugh it up

Everything about us makes me grow But how would you know? Simple things bring simple pleasures That we know Baby its time to show

2 used 2 means 2 hearts 2 please 2 you's 2 me's 2 make totally 2 mouths 2 closed 2 make all of those 2 hearts 2 believe 2 love openly

Your the must have Your the part im in your palm Love freely so really Theres a call Where's it from?

Ooh ooh ooh Ooh ooh ooh

2 used 2 means 2 hearts 2 please 2 you's 2 me's 2 make totally 2 mouths 2 closed 2 make all of those 2 hearts 2 believe 2 love openly [x2]
