

Sugarcult, Saying Goodbye

She kisses everyone goodbye
And waves her middle finger high
They're never gonna mess with her again

The drama queen is seventeen
And sleeping with the boys for free
She's got a reputation of being easy

Everytime they put her down
She makes a fist and tears roll down
She packs her bags and plans to run away

She's saying goodbye
And leaving tonight
She's wasted all her lonely tear drops
She's saying goodbye
And leaving tonight
She's used up all her lonely tear drops now

She thinks about herself
And cares about nobody else
Because the only friends she has all put her down

They hate her when she's beautiful
And even more when she's a fool
They talk behind her back when it's her birthday

Everytime they put her down
She makes a fist and tears roll down
She packs her bags and plans to run away
And everytime she makes a friend
The viscous cycle starts again
She's never, ever, ever looking back

She's saying goodbye
And leaving tonight
She's wasted all her lonely tear drops
She's saying goodbye
And leaving tonight
She's used up all her lonely tear drops now

She's saying goodbye
She's wasted all her lonely tear drops
She's saying goodbye
She's used up all her lonely tear drops now

Everytime they put her down
She makes a fist and tears roll down
She packs her bags and plans to run away from here
And everytime she makes a friend
The viscous cycle starts again
She's never, ever, ever looking back

She's saying goodbye
And leaving tonight
She's wasted all her lonely tear drops
She's saying goodbye
And leaving tonight
She's used up her lonely tear drops now
She's wasted all her lonely tear drops now...
