

# Sugarland, Babe (feat. Taylor Swift)

what a shame  
didn't wanna be the one that got away  
big mistake, broke the sweetest promise  
that you never should have made  
I'm here on the kitchen floor  
you call, but I wasn't hear it  
you said no one else  
how could you do this, babe?

you really blew this, babe  
we ain't getting through this one, babe  
this is the last time, I'll ever call you, babe  
this is the last time, this is the last time,  
this is the last time, I'll ever call you, babe

what a waste  
taking down the pictures and the planes we made  
and it's strange how your face doesn't look so innocent  
your secret has its consequences and that's on you, babe  
I break down every time you call  
we're a wreck, you're the wrecking ball  
we said no one else, how could you do this, babe?

you really blew this, babe  
we ain't getting through this one, babe  
this is the last time, I'll ever call you, babe  
this is the last time, this is the last time,  
this is the last time, I'll ever call you, babe

since you admitted it, I keep picturing  
her lips on your neck, I can't unsee it  
I hate that because of you,  
I can't love you, babe

what a shame  
didn't wanna be the one that got away  
how could you do this, babe?

you really blew this, babe  
we ain't getting through this one, babe  
this is the last time, I'll ever call you, babe  
this is the last time, this is the last time,  
this is the last time, I'll ever call you, babe

how could you do this, babe?  
I'm here on the kitchen floor  
you call, but I wasn't hear it  
you said no one else  
we ain't getting through this one, babe  
I break down every time you call  
we're a wreck, you're the wrecking ball  
this is the last time, this is the last time  
you said I'm no one else  
this is the last time, this is the last time
