

# Sum 41, All She's Got

This place reminds me of  
A time that's way too old  
These thoughts have gathered up the memories unfold  
But for now I don't see what's so wrong with pretending  
It's true I thought you knew

Believe her, it's all she's got to pass the time  
Believe her, it's over now she's passed her prime  
Believe her, it's all she's got to keep things right  
Believe her, it's all she's got it's all she's got  
It's all she's got, it's all she's got

These day keep getting worse I'm wasting all my time  
Thought I'd come in first instead I fell behind  
I don't know, I don't know if I can keep this up to long.  
It seems most every time my motives are all wrong  
But for now  
I don't see what's so wrong with pretending  
It's true I thought you knew

Believe her, it's all she's got to pass the time  
Believe her, it's over now she's passed her prime  
Believe her, it's all she's got to keep things right  
Believe her, it's all she's got, it's all she's got

It's times like this, my time's run out  
It's times like this, my time's run out  
It's times like this, my time's run out  
It's times like this, I want to

Believe her, it's all she's got to pass the time  
Believe her, it's over now she's passed her prime  
Believe her, it's all she's got to keep things right  
Believe her, it's all she's got, it's all she's got
