[Originally by Misfits]

Attitude, you got some fucking attitude

I can't believe what you say to me

You got some attitude

Inside your feeble brain there's probably a whore

If you don't shut your mouth you're gonna feel the floor

Attitude, the one you got, oh baby

Attitude, the one you got, oh baby

Attitude, attitude

Inside your feeble brain there's probably a whore

If you don't shut your mouth you're gonna feel the floor

Attitude, you got some fucking attitude

I can't believe what you say to me

You got some attitude

Attitude, you got some fucking attitude

I can't believe what you say to me

You got some attitude
