

# Sum 41, Noots

today, its too late  
how long do we have to wait  
oh no, i think she knows  
that's why i can't let go  
i feel this burning inside  
a feeling that no one should know  
this could be so good again  
i'd wait here till then  
but not with this  
so now i'll leave with

no apologies  
i never thought you'd be so  
easily decieved  
now i'll just hang my head (falling further out of place)  
while i walk with the dead (all the lies i can't erase)  
i'll just hang my head!

we're mad with regret  
memories that we'll both forget  
so far it's been so hard  
to cover up these scars  
i see this falling apart  
it's easy to just let it go  
no luck between us both  
so why keep waiting  
but not with this  
so now i'll leave with

no apologies  
i never thought you'd be so  
easily decieved  
now i'll just hang my head (falling further out of place)  
while i walk with the dead (all the lies i can't erase)  
i'll just hang my head!

what's left to show  
it's so bad but i got to know  
what's right don't know  
how to find it out on my own

one by one we both fall down  
who's the first one to hit the ground now  
what's worse taking the fall  
or be stuck standing alone  
i'll keep your promises if you  
take back every thing i said  
i find its got so cold now  
that i've lost my heart and soul

no apologies  
i never thought you'd be so  
easily decieved  
now i'll just hang my head (falling further out of place)  
while i walk with the dead (all the lies i can't erase)  
i'll just hang my head!(2 times)
