

# Sum 41, Some Say(live)

Some say we're never meant to grow up  
I'm sure they never knew enough  
I know the pressures won't go away  
It's too late

Find out we're different somehow  
It's too late to even have faith  
Don't think things will ever change  
You must be dreaming

Think before you make up your mind  
You don't seem to realize  
I can do this on my own  
And if I fall I'll take it all  
It's so easy after all

Believe me 'cause now's the time to try  
Don't wait, the chance will pass you by  
Time's up to figure it out  
You can't say it's too late

Seems like everything we knew  
Turned out we're never even true  
Don't trust, things will never change  
You must be dreaming

Think before you make up your mind  
You don't seem to realise  
I can do this on my own  
And if I fall I'll take it all  
It's so easy after all

Some say we're better off without  
Knowing what life is all about  
I'm sure they'll never realize the way  
It's too late

Somehow it's different everyday  
In some ways it never fades away  
Seems like it's never gonna change  
I must be dreaming

Think before you make up your mind  
You don't seem to realize  
I can do this on my own

Think before you make up your mind  
You don't seem to realize  
I can do this on my own  
And if I fall I'll take it all  
It's so easy after all

Believe me, it's alright  
It's so easy after all  
Believe me, it's alright  
It's so easy after all
