

# Sum 41, The Bitter End

There's no doubt in my mind when it's over  
what is done will be  
you will find when life gets colder there's no sympathy  
there's no point trying you can't escape the bitter end  
well who will greet you when you're at the bitter end

all your choices chosen you've got no say  
your decisions made  
face your consequences as your life begins to fade  
as time keeps spinning closer to the bitter end  
well who will greet you when you're at the bitter end

take a look at yourself as time keeps racing  
is all you've come to be  
what you expected or are you still chasing possibilities  
cause all your prayers won't save you from the bitter end  
well who will greet you when you're at the bitter end  
the bitter end  
the bitter end
