

Summer Walker, Playing Games (with Bryson Tiller)

whip, bought it
crib, got it
job, on it
did I ever
ask you to take me to go
shopping in Paris or go
sailing overseas and just
Drape me in Gucci?
no
all I ever asked was you to
show me some love

kisses and hugs
no, I never had an issue
got to the club with your boys, baby, I
never wanted you to stay too long
just wanted you to show me off
