

# SupaRed, Freak-Away

[Kiske]

Consider betterment  
Over think the state  
My nameless charm is gonna get you if I...  
Welcome improvements  
let me make your day  
I play all tricks you make me got to

I'm forever with you if you want it  
I'm forever yours if you stay  
The moment is ours you won't regret it  
And I freak-away

Crushes can kill ya  
If you let it flow  
Insanity will always hide behind our...  
I wait in my launch pad  
Till you let me go  
They say all men just cook with water

[Refrain:]

Maybe shameless, maybe out of touch  
Maybe boldness, I may want too much  
In my head I got a picture

[Refrain:]

And I freak-away

[Refrain:]

Consider betterment...
