

Superchick, Get Up

Verse 1

I'm not afraid to fall
It means I climbed up high
To fall is not to fail
You fail when you don't try
Not afraid to fall
I might just learn to fly
And I will spread these wings of mine

Chorus

c'mon
If I get up I might fall back down again
So let's get up c'mon
If I get up I might fall back down again
But we get up anyway
If I get up I might fall back down again
So let's get up c'mon
If I get up I might fall back down again
I might fall back down again
But we'll just jump and see
Even if it's the 20th time
We'll just jump and see if we can fly

Verse 2

I'm not afraid to fall
And hear I told you so
Don't want to rock the boat
But I just had to know
Just a greener side
Or can I touch the sky
But either way I will have tried

Chorus

If I get up I might fall back down again
So let's get up c'mon
If I get up I might fall back down again
But we get up anyway
If I get up I might fall back down again
So let's get up c'mon
If I get up I might fall back down again
I might fall back down again
But we'll just jump and see
Even if it's the 30th time
We'll just jump and see if we can fly

Verse 3

I'm not afraid to fall
I've fallen many times
They laughed when I fell down
But I have dared to climb
Not afraid to fall
I know I'll fall again
But I can win this in the end

Chorus

If I get up I might fall back down again
So let's get up c'mon
If I get up I might fall back down again
But we get up anyway
If I get up I might fall back down again
So let's get up c'mon
If I get up I might fall back down again
I might fall back down again
But we'll just jump and see

Even if it's the 40th time
We'll just jump and see if we can fly

If I get up I might fall back down again
So let's get up c'mon
If I get up I might fall back down again
But we get up anyway
If I get up I might fall back down again
So let's get up c'mon
If I get up I might fall back down again
I might fall back down again
