

Superchick, Na, Na

(electric guitar intro)

You're building a case against me
Prosecutor, judge, and jury
We've this conversation in your head
'Cause I wasn't there, you made up what I said-
Or what I would of said; you know me so well
You heard how I am and how I'm going to heaven knows
We've never had this conversation, or should I be calling it a condemnation?
'Cause you're not listening to me

(Chorus)

So na, na, na, na, na
That's all I'm gonna say
'Cause na, na, na, na, na
Made up your mind anyways
Na, na, na, na, na
There's nothing I can do
So na, na, na, na, na
Couldn't we be friends if not for you

I feel like a teacher from Charlie Brown
All you hear is that "wah, wah, wah" sound
Maybe I'm a Pokemon, Pikachu
Cause that's what comes out when I'm talking to you
You're a crusader; you've made me your fight
Your superhero name is Mr. Right
Instead of trying to understand
You show all your friends how wrong I am
You're not listening to me

So na, na, na, na, na
That's all I'm gonna say
'Cause na, na, na, na, na
Made up your mind anyways
Na, na, na, na, na
There's nothing I can do
So na, na, na, na, na
Couldn't we be friends if not for you

Can't we be friends
Why does it end
Before a word is even heard
I look at you, your attitude
Why can't you see
That it's not me?

Oops, I did it again, I see
The person I'm talking about is me
Assuming you're the enemy
In the crosshairs of my verbal Uzi
No matter who wins, we both lose
No matter who starts, we both choose
To keep it going on and on and on
But let's start listening and see

La, la, la, la, la
(electric guitar)
La, la, la, la, la
Sorry that it got this way
La, la, la, la, la
Next time I won't let it stew
La, la, la, la, la
Couldn't we start over me and you?

(electric guitar finish)
