Superchick, Wonder If She'll Get It

Dear diary
I saw this guy at the show
He was singing to me
At least I think so
All the world around me stopped when he said Hi whats up baby
He's the perfect guy
His hair, his eyes, oh, I love his smile
When he opened the door
Knew he was worthwhile
He looked so good standing right next to me
So beautiful I know our children will be
This time I know it's true love

He is the one that I've been waiting for I promise to love him forevermore I've waited my whole life for the day I am his I just know he's the Wonder what his name is

Dear diary
Today I found a new guy
With a movie star face and the perfect lines
Knight in shining armor
Hero to rescue me
He'll be so romantic just like in the movies
He'll play the roll of a boyfriend for me
like in " Here on Earth" with LeeLee Sobieski
There's just one problem something I might have missed
He's a movie star he doesn't know I exist
This time I know it's true love

Dear diary
I thought my dreams had come true
Last week I found the one to give my heart to
Told all my friends about him, even tried his last name
Didn't see that to him it was all just a game
He seemed so nice, I've known him for a whole week
But my friends didn't like him, didn't know him like me
No more crushes or rushes, learn to be satisfied
With being single again - wait who's that guy
You are cute!
