

# Superior, Free Minded

Thought agglomeration  
To be swallowed whole  
Brain constipation  
Intolerable overload

Periodic heavy thinker  
Addicted to the truth  
Sent to the head shrinker  
Bad case of sense abuse

Make sure there's not too much of mental fuel you drink in  
Cause you might break the recommended speed of thinking

Free minded  
Hold your head high  
Not blinded  
Open eyed  
Wanna see it?  
See the lie  
Gotta look behind it

Time is money  
Life's from eight to five  
Money is the power  
Determining your life

So if you're searching for a different situation  
You oughta know sometimes there's only one occasion

So don't you Break it  
Be blind  
Just take it  
What you find  
Don't leave it  
Feed your mind  
You can make it

Take it don't break it - salvation's hard to find  
Take it don't break it - regenerate your mind

A spoonful of spirit  
Easy to digest  
A mouthful of meaning  
Flavoured by request

Soul food diet  
Brain meal porridge light  
Don't you want to try it?  
Fat free state of mind

Clowns play kings  
Leather office thrones  
Pull your strings  
Trying to break your wings

So if you're searching for a different way of living  
Make up your mind and use the virtues that you're given
