

Supertramp, Broken Hearted

You make me nervous when you're flying around
The secret service couldn't track you down
You tell me no then you kiss me
You say hello then you ditch me
You try to run when you see me

I never knew what this dream was about
You say let's go then you're lost in the crowd
I don't know where you're going
You won't show then you're showing
I don't know then I'm knowing

You're always busy when I call on the phone
(Stop stop)
I'm broken hearted are you made out of stone
(Stop stop)
Snakes alive why you grievin'
It's six to five and I'm leavin'
I can't stand no more teasin'

I wrote a letter (letter) I couldn't get her (get her)
