

# Supertramp, Gone Hollywood

It's just heartbreaking  
I should have known that it would let me down  
It's just a mind aching  
I used to dream about this town

It was a sight to see  
The place to be,  
Where the living is easy  
And the kicks can always be found

It's such a shame about it  
I used to think that it would feel so good  
But who's to blame about it  
So many creeps in Hollywood

I'm in this dumb motel  
Near the 'Taco Bell'  
Without a hope in hell  
I can't believe that I'm still around

Ain't nothin' new in my life today  
Ain't nothing true it's all gone away

I've had too much cryin', seen too much grief  
I'm sick of tryin' it's beyond belief  
I'm tired of talking on the telephone  
They're trying to tell me that they're not at home

Ain't nothing new in my life today  
I'm tired of walking from place to place  
I've yet to come across a friendly face  
And now the words sound familiar, as they slam the door  
"You're not what we're looking for."

Ain't nothing new in my life today  
Ain't nothing true it's all gone away

If we only had time, only had time for you  
If we only had time, only had time for you  
If we only had time, only had time for you

It was a heartbreaking  
Now I ride in the big fine car  
It was mind aching  
I'm the talk of the boulevard

So keep your chin up boy  
Forget the pain  
I know you'll make it  
If you try again

There's no use in quitting  
When the world is waiting for you
