

Susan Raye, All Of Me Belongs To You

All of me belongs to you all the time you're the only one that's ever on my mind

There's no way that I would ever be untrue

Not one single part of me that don't miss you through and through

All of me belongs to you

Eyes are worthless since you're not here to see

Lips are so forgotten since you forgotten me

My arms ached from reaching out to you the way they do

There's not one single part of me that don't miss you through and through

All of me belongs to you

Fingers claw the darkness in my dreams searching for the love I lost but can't redeem

I'm yours and I can't give my heart to someone new

There's not one single part of me that my heart don't include all of me belongs to you

[guitar - piano]

Fingers claw the darkness...
