

Suzanne Vega, 99.9F

99.9 Fahrenheit degrees
Stable now, with rising possibilities
It could be normal but it isn't quite
Could make you want to stay awake at night

You seem to me
Like a man
On the verge of burning
99.9 Fahrenheit degrees

Pale as a candle
And your face is hot
And if I touch you
I might get what you've got

You seem to me
Like a man
On the verge of running
99.9 Fahrenheit degrees

Something cool
Against the skin
Is what you could be
Something cool
Against the skin
Is what you
Could be needing

99.9 Fahrenheit degrees

You seem to me
Like a man
On the verge of burning
99.9 Fahrenheit degrees

Something cool
Against the skin
Is what you could be
Something cool
Against your skin
Is what you
Could be needing

99.9 Fahrenheit degrees [X2]
