

Suzi Quatro, Shakin' All Over

When you move in right up close to me
That's when I get the shakes all over me

Quivers down my back bone
I got the shakes in my thigh bone
I got the quivers in my knee bone
Shakin' all over

Just the way that you say goodnight to me
Brings the feeling out inside of me

Quivers down my back bone
I got the shakes in my thigh bone
I got the quivers in my knee bone
Shakin' all over

[Insturmental]

Quivers down my back bone
I got the shakes in my thigh bone
I got the quivers in my knee bone
Shakin' all over

Well, you make me shake, and you like to shake, you make me shake
Oh, you make me shake, and I like to shake, oh you make me shake
Oh you know you make me shake, and I like to shake, honey (Can the can, honey, can the can, ho

Quivers down my back bone
I got the shakes in my thigh bone
I got the quivers in my knee bone
Shakin' all over
