

Suziquatro, Fever

(Davenport/Cooley)

Never know how much I love you
Never know how much I care
When you put your arms around me
I get a fever that's so hard to bear

You give me Fever
When you kiss me
Fever when you hold me tight
Fever
In the morning
Fever all through the night

Sun lights up the daytime
The moon lights up the night
I light up when you call my name
And you know I'm going to treat you right

You give me Fever
When you kiss me
Fever when you hold me tight
Fever
In the morning
Fever all through the night

Everybody's got the Fever
That is something you all know
Fever isn't such a new thing
Fever started long ago

Romeo loved Juliet
Juliet she felt the same
When he put his arms around her
He said, "Julie baby, you're my flame."
And I give you Fever
Fever When we're kissing
Fever with our flaming youth
Fever
I'm on fire
Fever yeah I burn forsooth

[This verse not used by Suzi]
Captain Smith and Pocahontas
Had a very mad affair...
Oh daddy no don't you dare
He gives me Fever

Now you've listened to my story
Here's the point that I have made
Chicks were born to give Fever
Be it Fahrenheit or Centigrade

They give you Fever
When you kiss them
Fever if you live and learn
Fever 'til you sizzle
Fever
What a lovely way to burn [x8]
