

# SVRCINA, Back 2 Good

Why can't I look you in the eye  
Say the things that I should  
And go back to good  
From high to low, and low to high in a heartbeat  
From small talk to a big fight, like it's no thing  
Going for the heart where it is the weakest  
Saying sorry can be easy  
The hard part is to mean it

Why can't I look you in the eye  
Say the things that I should  
And go back to good  
Can we go back to good?

Let's try throwing out our pride Cause I know that we could  
Go back to good  
Can we go back to good? Good, good, good  
Can we go back to good? Good, good, good

Now one of us has got to make the first step  
But I suppose that's what we both are worst at  
What's it gonna take for us to see that  
We need our love the most when we hardly feel it  
Saying sorry can be easy  
The hard part is to mean it

Why can't I look you in the eye  
Say the things that I should  
And go back to good  
Can we go back to good?

Let's try throwing out our pride Cause I know that we could  
Go back to good  
Can we go back to good? Good, good, good  
Can we go back to good? Good, good, good

Looking for permission to give in  
Cause I would, if you would  
Can we just go back to us again?  
Say we're good, and we're good

Why can't I look you in the eye  
Say the things that I should  
And go back to good  
Can we go back to good?

Let's try throwing out our pride Cause I know that we could  
Go back to good  
Can we go back to good? Good, good, good  
Can we go back to good? Good, good, good
