I can almost taste it  
Beautifully contagious  
Feel my heartbeat racing / racing

Stepping in the cadence  
Of the lover's language  
All the rest is fading

## CHORUS

I wanna catch the light  
Let it burn all night  
Feel it in my soul  
I wanna catch the light  
Gonna hold it tight  
And I won't let go

Won't let go / OOH OOH OOH  
Won't let go / OOH OOH OOH  
Won't let go / OOH OOH OOH  
OOH OOH OOH  
OOH OOH OOH

## VERSE

See it in the distance  
Closer every second  
Gotta keep on moving / moving

Running, I'm running, I'm running I'm not giving up  
Fight to the finish, I'm doing it no matter what / OH
