

# SVRCINA, Flowers

Sitting alone  
All on my own  
With my insecurities  
Had to grow up  
No matter what  
Find my security

I see the good, I see the bad  
I gravitate to the sad  
And it's sad  
'Cause it's all I've ever had

Life can't always be romantic  
In the worst of circumstances  
I believe in second chances

I don't always do the right thing  
Cut the vines before they're growing  
But I'm trying, I'm trying, I'm trying

I can see the colors  
Everywhere I go, there's  
Traces of you  
Traces of you

I feel like I'm dreaming  
Taking me to Eden  
When I see you  
I love the view

Flowers, flowers  
(All I see are)  
Flowers, flowers  
(All I see are)  
Flowers, flowers  
(All I see are)  
Flowers, flowers  
(All I see are)

Too many tears  
All of these years  
Stumbling in the dark  
When there's no pulse  
Deep in the soul  
Breathing, it feels so hard

I see the black, I see the white  
Don't wanna run out of time  
And it's time  
To connect all the lines

Oh, life can't always be romantic  
In the worst of circumstances  
I believe in second chances

I don't always do the right thing  
Cut the vines before they're growing  
But I'm trying, I'm trying, I'm trying

I can see the colors  
Everywhere I go, there's  
Traces of you  
Traces of you

I feel like I'm dreaming  
Taking me to Eden  
When I see you  
I love the view

Flowers, flowers  
(All I see are)  
Flowers, flowers  
(All I see are)  
Flowers, flowers  
(All I see are)  
Flowers, flowers  
(All I see are)

All the leaves  
All the green  
Yeah, it's taking me higher, higher

Yesterday  
Fades away  
As you're taking me higher, higher

I can see the colors  
Everywhere I go, there's  
Traces of you  
Traces of you

I feel like I'm dreaming  
Taking me to Eden  
When I see you  
I love the view

Flowers, flowers  
(All I see are)  
Flowers, flowers  
(All I see are)  
Flowers, flowers  
(All I see are)  
Flowers, flowers  
(All I see are)
