Odette: Were off on a mission
Were tough; in good condition
Puffin: We're short
Odette: But standing tall
All No fear!
Odette: There's danger around us
Jean-Bob: They'd hurt us if they found us
Speed: Our backs are to the wall
All No fear!
Odette: Cause we have all the courage we require
Puffin: Take it from a frequent flyer
Odette: Try your luck
Odette & Puffin: Our plan will fly
All No fear!
Jean-Bob: This plan if appliedll
Be simply suicidal
Youll be a sitting duck
All No fear!
Jean-Bob: Suppose that I do this
Who knows if well live through this?
How bout a kiss for luck?
Odette: No
Puffin & Speed: Fear
Odette: Our team is shy one green, web-footed volunteer
Jean-Bob: No way, Jose
No chance!
Speed: No choice
Odette & Puffin: No fear!
All No fear!

We will take any dare that the other sidell dare to dream up
Well fight tough; well play fair
